REF : FABRIC EXPANSION JOINTS.YOUR LETTER dated 25- 07- 2007

This is to confirm that DEKOMTE Fabric Expansion joints have been installed in Shuqaiq Boiler units # 1 & 2 by Dekomte de Temple Engineers and Maar Trading group in 2005.

The Expansion joint are found to be of high standard quality and functional reliability.

In these 2 years of continuous service no defects have been observed till date.

The co-operation by Dekomte & Maar Group in selection, installation and training was highly professional and exemplary.

We recommend Dekomte & Maar Fabric expansion joint for future applications.
